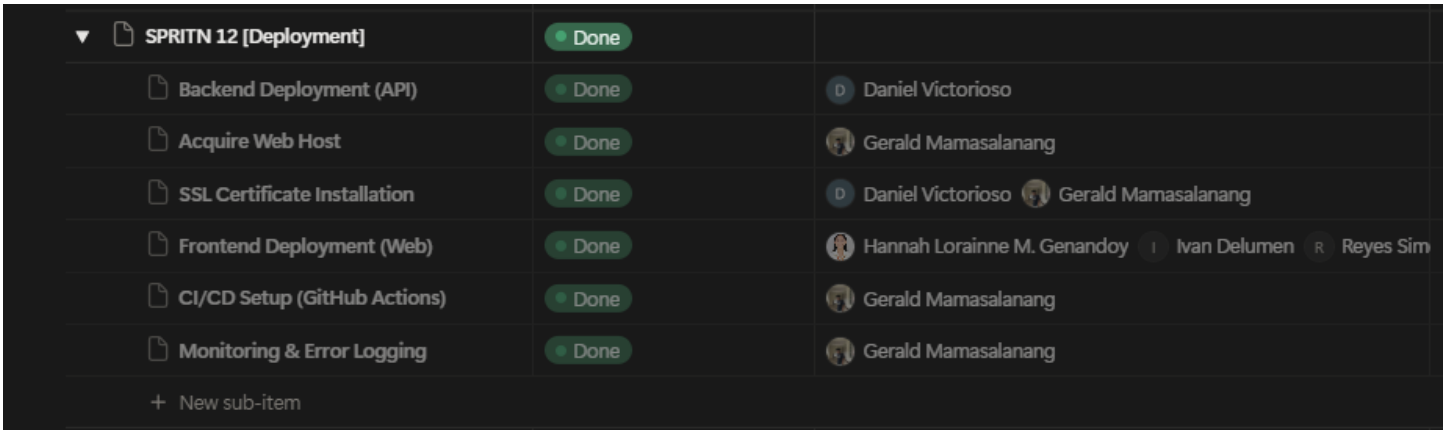
Progress Update | Sprint 12
December 20, 2025 | G-Cache
Sprint 12 Percentage Completion: 100%
Project Completion: 53/55 – 96.36%



Sprint 12 has been successfully completed with all deployment-related tasks finished ahead of schedule. While this sprint was designated for deployment activities, the team had already completed the majority of these tasks during previous sprints, demonstrating strong forward momentum and proactive planning.

Sprint Retrospective

What went well:

- Successfully implemented secure cookie-based authentication and robust OAuth2 redirect logic
- Enhanced testing with E2E test fixes and improvements
- Improved deployment workflow with Google Cloud Run configuration
- Made significant UI/UX improvements:

What could be improved:

- Code reviews
- Component reusability

What needs to be done:

- Registration and email verification
- Developer Guide for Sprint 13
