## Our Logo

Our logo symbolizes the essence of customizable productivity cycles. Its circular form represents the continuous rhythm of the Pomodoro technique, while the two gradient segments reflect the balance between focused work and breaks. The white progress markers illustrate time tracking and milestones, and the central circle emphasizes the user's core activity. With its clean and modern design, the logo captures Pomodify's mission to provide a flexible, simple, and engaging way to stay focused and track meaningful progress.
