

POMODIFY USER STORY

1. Activity Management

As a **student**

I want to create and organize activities

So I can track how much time I spend on each subject.

As a **professional**

I want to rename or delete activities

So I can keep my task list up to date.

2. Pomodoro Sessions

As a **user**

I want to set custom focus and break durations

So I can adapt the Pomodoro method to my personal workflow.

As a **user**

I want to run consecutive Pomodoro cycles

So I can stay productive without needing to restart manually.

3. Session Notes

As a **user**

I want to add notes after each session

So I can remember what I accomplished.

As a **user**

I want to edit or delete my notes

So I can keep them accurate and relevant.

4. Reports & Progress

As a **student**

I want to view a summary of my study sessions

So I can measure how much I prepared for exams.

As a **professional**

I want to see my productivity trends over time

So I can improve my work habits.

5. User Accounts & Security

As a **user**

I want to register and log in securely

So I can protect my personal productivity data.

As a **user**

I want to update or delete my account

So I can control my information.

6. System Usability

As a **mobile user**

I want the app to work on my phone

So I can stay productive anywhere.

As a **user**

I want a clean and simple interface

So I can focus on my tasks without distractions.
